THE PREMIER INTERNATIONAL TEXTILE SOURCING SHOW OF SOUTH ASIA

UNVEILING EXCELLENCE: SOUTH ASIA'S PREMIER B2B TEXTILE SOURCING HUB

Intex – Your Dedicated Business Link for South Asia

Intex is the premier B2B trade show of South Asia dedicated to sourcing for the textile industry. Empowering industry players to explore new business opportunities to forge Indian and global relations.

South Asia is the global powerhouse for the apparel industry. To give a further boost to this region Intex is organized annually across the key textile & apparel countries of Sri Lanka, Bangladesh and India.

Intex has also emerged as a dynamic force in strengthening intra-regional trade by successfully connecting Indian businesses with their Sri Lankan and Bangladeshi counterparts and vice-versa, leading to much stronger business ties within South Asian countries.

The Intex India Advantage

The China Plus One sourcing strategy adopted by global sourcing giants makes India one of its largest beneficiaries. Intex India thrives on empowering industry players to explore new business horizons and nurture Indian and global relationships. Hence, Intex has leveraged this strategy into opportunities by consolidating the entire industry across verticals onto one platform.

Fulfilling the growing demand for innovative fabrics, textile accessories and allied services for one of the biggest apparel manufacturing regions in the world, Intex India is the one-stop sourcing show for both apparel exporters as well as domestic manufacturers and suppliers of apparel. With exhibitors from Hong Kong, Korea, Vietnam, UK, UAE and the US, Intex India is the international business connector for Indian textile & apparel businesses looking to connect with global suppliers.

Intex India at Delhi-NCR: The CBD of textile & apparel industry

The Delhi-NCR area is the Central Business District (CBD) and common meeting point for textile and apparel manufacturers, exporters, suppliers and traders. Well known for its ability to develop innovative products and focus on value addition, Delhi-NCR is also unique in that it is Asia's largest apparel trading hub for the domestic market and home to leading exporters, buying & sourcing houses, apparel brands and more. By hosting Intex in Delhi we ensure that both domestic markets as well as exports are catered under one trading platform.
